MYPATH NAMED THE 2021 ESOP COMMUNITY COMPANY OF THE YEAR

Milwaukee, Wis. – MyPath, an employee-owned provider of specialized education, therapeutic and community support services for high-need individuals, announced today that it has been recognized as the 2021 ESOP Company of the Year by the Wisconsin Chapter of The ESOP Association (TEA).

The ESOP Company of the Year Award goes to an organization that demonstrates a commitment to employee ownership, as exhibited by involvement with TEA and its programs, open communication with employees, and promotion of TEA’s vision.

“We were thrilled and honored to hear that we received the ESOP Company of the Year Award from the Wisconsin Chapter,” said Terry Leahy, MyPath CEO. “Since converting to 100% employee ownership in 2016, we have tried to develop creative ways to highlight the benefits of employee ownership for our ‘Co-Owners Who Care.’”

The 110 members of the Wisconsin Chapter are eligible for submitting a nomination packet for its annual ESOP Company of the Year. The criteria upon which nominations are judged include maximizing the wealth building benefits for the co-owners, commitment to co-owner communication and education, building an ‘ownership’ culture, and promoting the employee ownership concept within the community.

To support its nomination, MyPath cited examples of its production of a video series to support co-owner understanding of how the ESOP benefits them, implementation of an employee communications mobile app, a commitment to leadership development, and more.
